

REWARD OFFERED: *Apprentice to The Villain* wanted for treason (light), magical property damage (alleged), and one incident involving a weaponized scone (accurate). Frequently seen with a grumpy frog (crowned, judgmental). Answers to "Evie" or "Stop that."

Evie Sage didn't mean to become the right-hand woman to the kingdom's most terrifying villain. One minute, she was applying for an entry-level position that promised "light paperwork and occasional beheadings," and the next, she was knee-deep in magical mayhem, murder plots, and an entirely inappropriate crush on her brooding, sharp-jawed, walking disaster of a boss.

Now, with a magical prophecy unraveling, assassins showing up in the break room, and a suspicious amount of frogs wearing crowns, Evie has to figure out how to survive her job without setting the kingdom on fire—or her dignity, which is hanging by a very sarcastic thread.

Being evil-adjacent was never part of the five-year plan. But then again . . . neither was falling for The Villain.

A magical office comedy with grumpy bosses, snarky frogs, and definitely-not-feelings.

Contains mature themes.

Hannah Nicole Maehrler is a fantasy romance author and BookToker with a propensity for villains. She grew up in Eastern Pennsylvania, watching Disney movies in her favorite rocking chair, where she spent hours imagining her own stories, creating entire worlds among the green walls of her living room. She kept her big dreams close as she went on to graduate with a bachelor's in psychology from Pennsylvania State University. Until one day her aspirations carried her to a small app on her phone that made those big dreams a reality. After developing the viral Assistant to the Villain TikTok series into a book, Hannah watched that world she always dreamed of take form.
