Kareem Abdul-Jabbar ON THE SHOULDERS OF GIANTS

AN AUDIO & MUSICAL JOURNEY THROUGH THE HARLEM RENAISSANCE
VOL. 2—MASTER INTELLECTS & CREATIVE GIANTS

Narrated by Jesse L. Martin

Listen as stage and television actor Jesse L. Martin narrates this spectacular time in history during the Harlem Renaissance where some of the greatest writers and politicians changed the course of history. Journey Harlem with Kareem as he explains how the Harlem writers personally changed his life. Featuring insights in their own voices: Marcus Garvey, W.E.B DuBois, Quincy Jones, Herbie Hancock, Langston Hughes and more!

Fifteen years ago, entrepreneur and future iconomist Deborah Morales and historian & basketball legend Kareem Abdul-Jabbar met by chance. But in the right hands, chance has a way of becoming opportunity. After discussing some mutual interests, they realized they shared a dream of utilizing the power of history to inform, influence and inspire as many people as possible. Even though they came from very different backgrounds (Deborah was raised Jewish and Kareem is Muslim), a common vision was obvious to both of them.

Kareem could use his expertise as a best-selling historian, and Deborah could use her business acumen to bring Kareem's unique perspective on the past to future generations. Together, they proudly present the culmination of their dream and efforts: *On the Shoulders of Giants: An Audio & Musical Journey Through the Harlem Renaissance.*
