

# John Berendt MIDNIGHT IN THE GARDEN OF GOOD AND EVIL

*Narrated by Jeff Woodman*

Part travelogue, part murder mystery, *Midnight in the Garden of Good and Evil* spent over two years on the *New York Times* bestseller list. Though the book is a work of nonfiction, it reads like a fast-paced, immensely entertaining and often hilarious novel.

Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? The question captivated the city's Society, high and low, for over a decade.

John Berendt, a veteran New York magazine writer and editor, traveled to Savannah and, having become enchanted by this isolated remnant of the Old South, made it his second home. Over a period of eight years, he encountered the city's eccentric characters, became involved in bizarre adventures, and closely followed the unpredictable twists and turns of a landmark murder case.
