

Ron Clark THE END OF MOLASSES CLASSES

Getting Our Kids Unstuck—
101 Extraordinary Solutions for Parents and Teachers

Narrated by the author

101 innovative and classroom-tested ways for improving America's schools and leading our children to greatness

For parents who want more for their children:

- Teach your children how to study; don't expect it to come naturally
- Realize the power of gratitude and appreciation

For teachers who need strategies for helping every student achieve success:

- Love what your students love, whether it's *iCarly*, *Twilight*, or *Monday Night Football*
- Kids need to move; bring education to life with kinesthetic learning
- Get a drum for the classroom and use music to excite, motivate, and inspire

For communities who hope to uplift every child and improve the education of our next generation:

- Provide examples of excellence; we have to be our best individually, but never forget that educating our children is shared responsibility
- Recognize that the heart of the school is the teacher; hire the best and never settle
