**DAWN OF INFAMY**

*Narrated by Richard Ferrone*

*A Sunken Ship, a Vanished Crew, and the  
Final Mystery of Pearl Harbor*

On December 7, 1941, even as Japanese carrier-launched aircraft flew toward Pearl Harbor, a small American cargo ship chartered by the Army reported that it was under attack from a submarine halfway between Seattle and Honolulu. After that one cryptic message, the humble lumber carrier *Cynthia Olson* and her crew vanished without a trace, sparking one of the most enduring nautical mysteries of the war. What happened to the ill-fated ship? What happened to her crew? And was she Japan's first American victim of the Pacific War?

Based on years of research, *Dawn of Infamy* explores both the military and human aspects of the *Cynthia Olson* story, bringing to life a complex tale of courage, tenacity, hubris, and arrogance in the opening hours of America's war in the Pacific.
