

Lori Lobenstine
THE BARKING PUPPY

Narrated by Sophie Canon

Introducing a heartwarming and humorous chapter book series that celebrates friendship, community, and the power of creativity.

When Sophie and her two Jack Russell terriers move to Boston, she's excited not to be the only brown kid in the neighborhood anymore. She instantly likes the quirky teenager named Juno next door and her pug, Bonney. But not everything's easy. Her classmates make fun of her Vermont overalls. The upstairs neighbor hates barking. And Bonney needs surgery that Juno's family can't afford.

So Sophie and Juno invent the *Barking Puppy*, the first ever newspaper written "by dogs" and "for dogs." Will anyone else get how funny it is? And more importantly, can they sell it to raise enough money in time to save Bonney? Will the landlord kick Sophie and her mom out before they even get started?

Don't miss this first edition of a doggone great series and find out for yourself!
