

Sally Mann  
**ART WORK**

*On the Creative Life*  
Narrated by the Author

The much-anticipated new book by artist and *New York Times* bestselling author Sally Mann about the challenges and transcendent pleasures of the creative process

“Erudite, frank, and funny.” —Amor Towles, bestselling author of *A Gentleman in Moscow* and *The Lincoln Highway*

*Art Work*, by photographer and writer Sally Mann, offers a spellbinding mix of wild and illuminating stories, practical (and some impractical) advice, and life lessons.

Written in the same direct, fearless, and occasionally outrageous tone of her bestselling memoir, *Hold Still*, this new book reaffirms Mann as a unique and resonant voice for our times and is destined to become a classic.

With immediacy and poignancy to the narrative, *Art Work* is full of thoughtprovoking insights about the hazards of early promise; the unpredictable role of luck; the value of work, work, work, and more hard work; the challenges of rejection and distraction; the importance of risk-taking; and the rewards of knowing why and when you say yes.

In sparkling prose, *Art Work* is a generous, provocative, and compulsively readable exploration of creativity by one of our most original thinkers.
