THE COUNSEL OF CROWS

The Unraveling • 1

Narrated by Pete Bradbury

“Even the smallest spark can set the darkest night ablaze.”

Twig never imagined himself at the center of anything important—let alone a battle for the fate of the Woodland Realm. But when his peaceful village is attacked by the ruthless Fortress Crows, the young chickadee finds himself on the run, hunted by a terrifying sorceress and her winged army. Thankfully, he’s not alone. Alongside a cunning bard, a fearless warrior, and two mischievous tumblers—who cause almost as much trouble as they solve—Twig embarks on a journey to uncover an ancient power and prevent history from repeating its darkest (and dumbest) mistakes.

Perfect for fans of *Watership Down*, *Redwall*, and *The Green Ember*, *The Unraveling* is a sweeping middle-grade fantasy adventure of courage, rebellion, and destiny. With pulse-pounding action, unforgettable characters, and a world as rich as it is dangerous, this is a story for anyone who believes even the smallest hero can change the world.
