

Elise Kova
DRAGON CURSED

Narrated by Amanda Dolan

AN INSTANT #1 *NEW YORK TIMES* BESTSELLER

Now optioned for film by Amazon MGM Studios!

The moment you see a dragon is usually your last ...

Since the dragons emerged—along with the scourge that ravaged our lands and people—there's only one human city that remains standing: Vingard.

But the hellfire from above is nothing compared to the infection that threatens us all. For there is no worse fate than being *Dragon Cursed*. Slowly and excruciatingly, you'll be transformed into a mindless beast who destroys everything—and everyone—you love.

Any of us could be tainted. Any of us could be lying. Any of us could be caught and killed by the authorities.

And I'm terrified that I might be next.

There's only one other person who might suspect my secret. He's like my shadow, following me wherever I go. Part protector, part tormentor, fully annoying. Sometimes I think I am just one of the million unfathomable secrets he keeps hidden.

Because Lucan definitely knows something.

And if I'm *Dragon Cursed*, death might be the only mercy I get.
