# SHADOWGLASS

*The Domsday Archives • 3*

*Narrated by Ramón de Ocampo*

The third installment in *The Domsday Archives* brings back an old occult relic with a new twist—it has evolved to hunt its victims via online spaces.

Of the three young members of the Order, Serena is the most sensitive to otherworldly forces. It's a "gift" she regards dubiously. But when a student at her school dies after posting a disturbing online rant—one that appears uncharacteristic with his character—she begins to sense that something is amiss. Her search leads her to a mysterious online streamer who seems to attract promising young people just before they suffer very public breakdowns.

Could the streamer somehow be *causing* their declines? Things go from bad to worse when Serena discovers the stream's newest target: her brother, Dom. Serena must face off against the Shadowglass before she loses someone she loves.
