

XKarnation REBORN AS A DEMONIC TREE 6

An Isekai LitRPG Adventure • Reborn as a Demonic Tree, Book 6

Narrated by Ramón de Ocampo

There is a newborn evil god—and his name is Ashlock.

While technically true, it's a reputation he desperately wishes to change. But with prophecies citing his involvement in the destruction of the world and fanatic members of his cult being a little too good at evil marketing, he has to run with it.

After all, he has bigger problems to face. Vincent Nightrose has fully awakened, and the looming Beast Tide is rumored to contain Monarch Realm-level beasts.

In this exciting and action-packed installment of the series, the Ashfallen Sect must continue rising to unforeseen heights to survive the challenges ahead.

Book six of a unique reincarnation isekai LitRPG series set in a Cultivator world. With millions of views and tens of thousands of followers, this was one of the most popular web serials of 2023.
