PAST LIFE HERO FOUR

A LitRPG Adventure • Past Life Hero, Book 4

Narrated by John Skelley

Max has been battered, yanked around by the universe.

So far, he's survived on a mix of skill, grit, and a little bit of luck.

But now, back where it all started, he'll be pushed even further than before. Ever since monsters attacked Earth, Max has been slowly reclaiming everything that made him who he was in his past life. However, to stand face-to-face with the man who ruined his life, the one who truly caused Max the greatest misery and betrayal he'd ever felt, he will need more than just good fortune.

All of Max's trials so far have led to this epic showdown. He will face a crucible, return to his Blade Sorcerer roots, and have to decide if he will continue to only be Max, or to reveal his true identity to the world.

And if he doesn't, if he fails, all of his friends on Earth are doomed.

Book four in this unique twist on isekai fantasy in the next LitRPG adventure by bestseller Blaise Corvin, author of Delves LLC and Apocalypse Cultivation.
