THE BROTHERS MCKAY
A Longmire Mystery • 22
Narrated by George Guidall

A masterful new novel in the beloved *New York Times* bestselling Longmire series

When Pepper McKay, one of the most hated men in Absaroka County, is found murdered on his ranch in Crazy Woman Canyon, suspects aren't in short supply. But Sheriff Walt Longmire's attention is on those who had gathered for a family meeting that evening, McKay's very different sons: a smooth-talking charmer, a cosmopolitan journalist, a reclusive monk, and a half-Native ranch hand who keeps the place running. Each had a motive. Each claims he's innocent.

As Walt investigates what happened that night at the O-Kay Lodge, he's pulled into a tangle of old grudges and long-buried secrets. Then the case takes a sharp turn: a second body surfaces, and a wildfire tears through the canyon, trapping Walt and forcing him into a fight for his life as both the killer and the elements close in.

The twenty-second novel in the Longmire series, *The Brothers McKay* is a murder mystery and a survival thriller that tests the sheriff's hard-won sense of justice—all while paying sly homage to Dostoevsky's classic.
