TWISTED ROAD

A Torpedo Ink Novel • 10

Narrated by Ryan West

There's no escaping the pull of desire in this novel in #1 *New York Times* bestselling author Christine Feehan's *Torpedo Ink* motorcycle club series.

When Czar shut down Lazar "Keys" Alexeev's undercover mission, that should have been the end of the story. Instead, Keys is back in the middle of a nowhere town where a petite redhead with a pouty mouth and a ready smile drives him to distraction. He's not sure why he's breaking all of *Torpedo Ink*'s rules to spend more time around a woman who's not even his type. He can't get her out of his head—and now he's facing the consequences.

Lyric Johansen doesn't like to look anyone in the eyes, but Keys's gaze is the one thing keeping her from a full-on panic attack. Her instinct to charge into the fray and help the biker fend off a group of vicious thugs has led to the most insane situation she's ever been in: trapped in a coffin with a man she barely knows, minutes away from a painful death.

Survival means staying focused. But when Keys kisses Lyric to snap her out of losing it, he's the one who ends up falling apart. He'll need to unleash hell to get them out alive.

If only to get another taste ...
