

Colin G. Calloway  
**THE SHAWNEES AND  
 THE WAR FOR AMERICA**

*Narrated by George K. Wilson*

Acclaimed historian Colin G. Calloway, Dartmouth professor of history and American Indian studies, is the series editor for The Penguin Library of American Indian History. Rich in detail and highly readable, this compelling narrative portrays the Shawnees' valiant struggle to maintain their way of life.

Before the American War for Independence, the Shawnees lived in Ohio, hunted in Kentucky, and ranged as far as Georgia, Missouri, and Pennsylvania. With an uncanny ability to form alliances with others, they developed a well-deserved reputation for being loyal friends and formidable foes. Leaders like Blue Jacket, Black Hoof, and Tecumseh defended Shawnee homelands for more than 60 years. But America's westward surge ultimately proved too much. And when Tecumseh fell in battle, the Shawnees' final hope for independence died with him.

George K. Wilson's gripping narration vividly portrays the peace-talk murder of Shawnee chiefs, the massacre of praying Indians, the National Army's decimation, Tecumseh's protection of his captives, and much more.

**Narrator George K. Wilson** has a varied performance background that includes more than a decade in broadcast journalism, and many roles on stage, television, and radio. A graduate of the American Academy of Dramatic Arts, West, he was a founder of Broadway Local, an improvisational comedy group, and has been a solo stand-up comedian. His film work includes a lead role in the cult classic *Attack of the Killer Tomatoes*. He has appeared on many popular daytime dramas. He co-founded the award-winning Soundbites, Inc., performing in over 500 editorial cartoons for radio.
