PLAYAWAY®  
THE PRE-LOADED AUDIOBOOK

# Meet Playaway

Playaway® is the simplest way to listen to an audiobook. Unlike CDs, audio cassettes or downloads, Playaway does not need a separate player. Instead, Playaway comes pre-loaded and ready to use. Simply plug in earbuds and enjoy.

## The All-In-One Audiobook

**Library and School Ready:** Every aspect of Playaway is ideal for the library and school settings, starting with its low-maintenance durability and ending with a one-year warranty to support you.

**Perfectly Portable:** Playaway moves both off your shelf and on-the-go with your listeners. Through the use of mobile accessories, you can listen in the car, at the gym and everywhere in-between.

**Content Matters:** From *NY Times* bestsellers to award-winning authors – we have the content to meet the demand.

“Playaways are awesome! Our family doesn’t own an e-book reader, MP3 player or iPod. My son loves Playaways and I love that he can listen while following along with the book.”

Dawn Hamil, Library Patron, Cuyahoga County Public Library
